Dear *Uniservitate* Programme Coordination,

I am pleased to provide an endorsement letter on behalf of [University Name] in support of the *Uniservitate* membership project. Recognizing the importance and relevance of this initiative, our university is interested and committed to become a member of the global network and access training resources, global and regional activities, research scholarships, awards and other benefits linked to solidarity service-learning.

Once accepted as a member, the institution will:

- Include the "*Uniservitate* Member" logo on the institution's website, linked to the *Uniservitate* website.
- At the end of the year, complete a brief form detailing the activities developed within the framework of the *Uniservitate* Membership program and its impact on the institutionalization of service-learning.

Our institution is committed to providing the necessary support for the successful implementation of this research project. This includes facilitating access to academic resources and tools, as well as offering guidance and collaboration to achieve the project's objectives.

Sincerely,
